GROUP LICENSE AGREEMENT

MeefTheMasters.com (MTM) hereby grants to you (“Coordinator”) the one time license and right to use the MTM CD-ROM and Curriculum (the “Curriculum”) with a group consisting of _____ (___) *[insert number of families]* families (the “Group”), for a total license fee of _____ dollars (\$_____) *[number of families between 1 and 10 x \$30; or number of families above 10 x \$20]*, subject to the following terms and conditions:

1. Definitions. “Family” or “families” shall mean the immediate family members of a single household (i.e., mother, father, and children). “One time use” shall mean leading the Group through the entire MTM Curriculum one time.

2. Responsibility for Payment. You agree that, despite the involvement of other families within the Group, you are responsible for the payment of all license fees associated with the use of the Curriculum as described herein. You agree to make such payment to MTM prior to beginning any use of the Curriculum.

3. Reproduction of Curriculum Materials. When appropriate based on the instructions contained in the Curriculum, Coordinator may make the required number of photocopies of the applicable Curriculum material for distribution to the members of the Group for participation in the activities contained within the Curriculum. Such right of reproduction and distribution shall not extend beyond the members of the Group, nor shall such right of reproduction or distribution extend to the teacher’s guide included in the Curriculum.

4. Commercial Use. Neither Coordinator, nor any member of the Group, shall reproduce and make available the Curriculum commercially, nor shall Coordinator, or any member of the group, make commercial use of the Curriculum by charging for the right to be a member of the Group, without the prior written permission of MTM; provided, however, Coordinator shall be allowed to obtain reimbursement from the families participating in the Group of the *pro rata* cost of such family’s involvement in the group (i.e., the *pro rata* portion of the license fee paid and costs of reproduction of any materials distributed to such family).

5. Additional Uses. Neither Coordinator, nor any member of the Group, shall use the Curriculum as described herein past the defined one time use without first contacting MTM and paying the required license fee for such use as described above.

6. Miscellaneous Provisions. The terms and conditions set forth herein shall be construed and interpreted under the laws of the State of California. Your failure to agree to any or all of the terms and conditions set forth herein shall be grounds for MTM’s refusal to provide the Curriculum to you for its use as described herein. The terms and conditions set forth herein constitute our entire agreement regarding your use of the Curriculum, and shall continue in effect with regard to any such use until modified or terminated in writing by MTM. The terms of this Agreement may only be changed by a writing executed by an authorized representative of MTM. All rights not expressly granted hereunder are reserved to MTM.

By your signature below, you are evidencing your agreement to be bound by all of the terms and conditions contained herein regarding your use of the Curriculum. You also agree to these terms and conditions on behalf of any third party that may have an interest in your use of the Curriculum as described herein (i.e., the Group members).
